ELIJAH MUHAMMAD was in contact with [REDACTED] and discussed with her as to when they might see each other. He said he was not sure, but it may be the first of the week sometime, and that he would let her know on Friday or Saturday (11/20-21/64). ELIJAH said he could take care of it here (Phoenix), but he did not think it would be in the next three or four days. He continued by stating, "They have to make preparations there so two of the investigators are going in front and they are going to make an investigation in that place before we follow up. It might take another week to do that." [REDACTED] then said that there was no rush and ELIJAH said that was right.

11/19/64

ELIJAH MUHAMMAD was in contact with [REDACTED] (Chicago), and mentioned to him that he would be there about Monday or Tuesday (11/23-24/64).

It appears from the available information that ELIJAH MUHAMMAD does not plan on leaving for Jamaica until the latter part of November or the first part of December, 1964. The Phoenix Office will remain alert for any information pertaining to his travel plans and the Bureau and appropriate offices will be advised.

commented he knew but not to make reservations to go any certain day until after next week. [REDACTED] mentioned December which becomes the winter season down there and it is better to arrange before then because after that time everything is in great demand. ELIJAH said he told his wife (CLARA) he wanted to wait until at least the middle of the week to go and it takes only four or five hours. He told [REDACTED] that they (believed referring to JOHN ALI and HERBERT MUHAMMAD) could leave on or about Tuesday (11/24/64) and then they could be there (Jamaica) Wednesday morning to go out and look up the place. ELIJAH said he has some people down there and [REDACTED] mentioned they had all the addresses and as the Jamaican office in Chicago had given them a line-up on everything down there. ELIJAH commented he named his followers there and [REDACTED] said they have Brother WILBERT's address. ELIJAH said his alone would be enough. ELIJAH said that they (referring to JOHN and HERBERT) could go ahead and make reservations now and for them to figure out how much they should carry (possibly referring to money). He said at least enough for the first month. [REDACTED] commented that HERBERT had done that. [REDACTED] asked if ELIJAH was coming to Chicago and ELIJAH said yes - not to make reservations for him (ELIJAH) but all he wants them (JOHN and HERBERT) to do is set up and "it may be week after next before I leave". ELIJAH continued by saying he would wait until they returned and said "It won't take you over a couple of days". [REDACTED] commented "I would say about four to do it right as there are three places there". ELIJAH then said "You want to make observations of all the places" [REDACTED] answered yes, that there are three main places to go and about 100 miles apart and he mentioned Montego Bay, Oterreas (PH) --. ELIJAH added that he wanted [REDACTED] to go to #27 and be there next Sunday (11/29/64).

[REDACTED] was in contact with ELIJAH MUHAMMAD at which time ELIJAH told him to go ahead and make preparations to go whereupon [REDACTED] said he wished ELIJAH was going as the weather in Chicago was so bad. ELIJAH told [REDACTED] that [REDACTED] would leave Monday or Tuesday (11/23-24/64) and that he (ELIJAH) will wait [REDACTED] asked ELIJAH if he wanted them to come back through Phoenix and ELIJAH said no, he would be in Chicago and would be there only a few

days before he would leave for there (Jamaica). He told [REDACTED] that he prays that they (JOHN and HERBERT) have a successful trip and observations and can take enough with them that they won't be short changed. It appears that ELIJAH MUHAMMAD will not leave for Jamaica until about 11/30 or 12/1/64. APPENDIX

NATION OF ISLAM, Formerly Referred to as the Muslim Cult of Islam, Aka. Muhammad's Temples of Islam

In January, 1957, a source advised ELIJAH MUHAMMAD has described his organization on a nationwide basis as the "Nation of Islam" and "Muhammad's Temples of Islam."

On May 8, 1964, a second source advised ELIJAH MUHAMMAD is the national leader of the Nation of Islam (NOI); Muhammad's Temple of Islam No. 2, 5335 South Greenwood Avenue, Chicago, Illinois, is the national headquarters of the NOI; and in mid-1960 MUHAMMAD and other NOI officials, when referring to MUHAMMAD's organization on a nationwide basis, commenced using either "Mosque" or "Temple" when mentioning one of "Muhammad's Temples of Islam."

The NOI is an all-Negro organization which was originally organized in 1930 in Detroit, Michigan. MUHAMMAD claims to have been selected by Allah, the Supreme Being, to lead the so-called Negro race out of slavery in the wilderness of North America by establishing an independent black nation in the United States. Members following MUHAMMAD's teachings and his interpretation of the "Koran" believe there is no such thing as a Negro; that the so-called Negroes are slaves of the white race, referred to as "white devils," in the United States; and that the white race, because of its exploitation of the so-called Negroes, must and will be destroyed in the approaching "War of Armageddon."

In the past, officials and members of the NOI, including MUHAMMAD, have refused to register under the provisions of the Selective Service Acts and have declared that members owe no allegiance to the United States.

MUSLIM GIRLS TRAINING

On May 19, 1960, a source advised that the Muslim Girls Training (MGT) is a group within the Nation of Islam (NOI) and is composed of all female members of the NOI. The MGT is similar in structure to the Fruit of Islam (FOI), which is composed of male members of the NOI, in that the MGT has officers similar to military organizations to whom other female members are accountable. MGT members receive instructions in homemaking, hygiene, calisthenics, and other subjects such as Muslim history and the English language. There also exists a Junior MGT, which is composed of female members of the NOI who are between the ages of 15 and 19 and who are afforded military-type drill.

Since 1957, various officers and "sisters" of the MGT have, at meetings of the MGT, used the term MGT so that it also means General Civilization Class. General Civilization Class refers to classes conducted within the MGT,

The above refers to activities of the MGT at Muhammad's Temple of Islam No. 2., 5335 South Greenwood, Chicago, Illinois.

On May 7, 1964, another source advised that the MGT is a group within the NOI which is composed of all female members of the NOI. The MGT is similar in structure to the FOI, which is composed of male members of the NOI. In theory, the MGT exists in all Temples of the NOI and is patterned after the MGT at Muhammad's Temple of Islam No. 2, Chicago. General Civilization Class refers to the collective group of classes held within the MGT.

Muhammad, whose true name is Elijah Poole, is the national leader of the Nation of Islam (NOI), an all Negro, black nationalist hate organization which has headquarters in Chicago, Illinois. In recent months Muhammad has been in ill health and he has informed his followers that it will be necessary for him to have complete rest for at least 90 days.

Investigation reveals that he contemplates travel to Jamaica, British West Indies, around the 1st of December and contemplates staying at Montego Bay or some place within 100 miles of Montego Bay. He reportedly has stated that he has followers in Jamaica and has made specific reference to an individual named "Brother Wilbert." Investigation further revealed that John [REDACTED] National Secretary of the NOI, and Herbert Muhammad, the subject's son, planned to precede Muhammad to Jamaica and make arrangements for his visit.

Muhammad, in his speeches and writings, constantly refers to the white man as a devil and an enemy of the black man. He has also stated "Allah" has decreed that America will be destroyed and that the black race will eventually rule the world. Any additional information received regarding Muhammad's travel plans will be forwarded to you. This Bureau would appreciate being furnished with any information which might come to your attention regarding his activities in the British West Indies.

**NATION OF ISLAM, Formerly Referred to as the Muslim Cult of Islam, Aka. Muhammad's Temples of Islam**

In January, 1957, a source advised ELIJAH MUHAMMAD has described his organization on a nationwide basis as the "Nation of Islam" and "Muhammad's Temples of Islam."

On May 8, 1964, a second source advised ELIJAH MUHAMMAD is the national leader of the Nation of Islam (NOI); Muhammad's Temple of Islam No. 2, 5335 South Greenwood Avenue, Chicago, Illinois, is the national headquarters of the NOI; and in mid-1960 MUHAMMAD and other NOI officials, when referring to MUHAMMAD's organization on a nationwide basis, commenced using either "Mosque" or "Temple" when mentioning one of "Muhammad's Temples of Islam."

The NOI is an all-Negro organization which was originally organized in 1930 in Detroit, Michigan. MUHAMMAD claims to have been selected by Allah, the Supreme Being, to lead the so-called Negro race out of slavery in the wilderness of North America by establishing an independent black nation in the United States. Members following MUHAMMAD's teachings and his interpretation of the "Koran" believe there is no such thing as a Negro; that the so-called Negroes are slaves of the white race, referred to as "white devils," in the United States; and that the white race, because of its exploitation of the so-called Negroes, must and will be destroyed in the approaching "War of Armageddon."

In the past, officials and members of the NOI, including MUHAMMAD, have refused to register under the provisions of the Selective Service Acts and have declared that members owe no allegiance to the United States.

**AKBAR MUHAMMED**

Reference is made to memorandum dated November 17, 1964, at Chicago, Illinois, and captioned as above.

**b7C**  
[REDACTED] advised that Akbar Mohammed, his wife and baby had departed Chicago by air on Saturday evening, December 6, 1964, to return to Egypt where Akbar was to resume his studies at Al-Azhar University in Cairo, Egypt.

The NOI is reprinted in the appendix section of this communication.

A source advised on December 8, 1964, that Akbar Mohammed and his family left Chicago on Saturday night, December 5, 1964.

A second source advised on November 24, 1964, that Akbar Mohammed was a member of the NOI, was a respondent for the NOI newspaper "Muhammad Speaks", and was a university student in Cairo, Egypt.

On November 23, 1964, the first source advised that Akbar had stated that Akbar could not be treated as "one of us" as he could only be treated as a sympathizer and was not one hundred percent behind the NOI. Elijah stated that he also heard a speech Akbar had made on November 23, 1964, in New York, New York, and that Akbar was to be visiting Negro temples. Akbar reportedly stated

in his speech in New York that Elijah should not have called Malcolm a hypocrite as he had just broken with Elijah and had gone his own way.

Malcolm X is described in the appendix pages of this communication.

The first source advised on December 5, 1964, that Elijah had pointed out to Akbar his errors by not following the Ecly Qasim. The source further advised that Akbar had done nothing to help the NOI and had given no indication he would do so and further indicated Akbar had no love for his family.

*b7C*  
On December 8, 1964, [REDACTED] advised that Akbar was still a Muslim, but would take no part in the activities of the NOI and was virtually in the same position as other defectors from the NOI.

On December 11, 1964, the first source advised that Akbar's wife was a Christian girl, well educated, and came from a good, Egyptian family. The source indicated Akbar's wife's family was well off financially.

NATION OF ISLAM, MOSQUE #7,  
NEW YORK CITY

On May 5, 1964, a source advised that the Nation of Islam (NOI) affiliate in New York City is known as Mosque #7, also known as Temple #7, and is located at 102 West 116th Street, New York City. Mosque #7 is part of the NOI headed by ELIJAH MUHAMMAD, with headquarters in Chicago, Illinois. Mosque #7 has two branches; Mosque #7B at 105-03 Northern Boulevard, Queens, New York City, and Mosque #7C at 120 Madison Street, Brooklyn, New York. These branches are part of Mosque #7.

The date Mosque #7 originated in New York City is not known.

However, in connection with the origin of Mosque #7, it should be noted that in 1953 a second source advised that there was a Temple of the NOI (known to source then as the Muslim Cult of Islam) in New York City located at 135th Street and 7th Avenue, as far back as 1947.

~~SECRET~~APPENDIXMUSLIM MOSQUE, INCORPORATED

The March 13, 1964, edition of "The New York Times," a daily newspaper published in New York, New York, contained an article on page 20 which indicated that MALCOLM X (LITTLE), former national official of the Nation of Islam (NOI) and Minister of NOI Mosque #7, New York, who broke with the NOI on March 8, 1964, publicly announced in New York City on March 12, 1964, that he had formed the Muslim Mosque, Incorporated (MMI). The MMI, according to the article, would be a broadly based politically oriented black nationalist movement for Negroes only, financed by voluntary contributions. In this public statement, MALCOLM X urged Negroes to abandon the doctrine of non-violence when it is necessary to defend themselves in the civil rights struggle, and he also suggested that Negroes form rifle clubs to protect their lives and property in times of emergencies in areas where the government is unable or unwilling to protect them.

Incorporation papers of the MMI filed on March 16, 1964, with the Business Section, Clerk of Courts, New York County, New York, New York, reflect that the MMI was incorporated under the Religious Corporation Law of the State of New York to work for the imparting of the Islamic Faith and Islamic Religion in accordance with "accepted Islamic principles" and to provide a place of worship to be located in the Borough of Brooklyn, New York, New York.

During an interview with KIV-Television, Cleveland, Ohio, on April 10, 1964, MALCOLM X stated that the MMI does not stand for integration, but for complete freedom justice and equality for Negroes. He stated that Islam was the religious philosophy of the NOI, while the political, economic, and social philosophy was black nationalism.

1. NATION OF ISLAM, Formerly Referred to as the Muslim Cult of Islam, Aka. Muhammad's Temples of Islam

In January, 1957, a source advised ELIJAH MUHAMMAD has described his organization on a nationwide basis as the "Nation of Islam" and "Muhammad's Temples of Islam."

On May 8, 1964, a second source advised ELIJAH MUHAMMAD is the national leader of the Nation of Islam (NOI); Muhammad's Temple of Islam No. 2, 5335 South Greenwood Avenue, Chicago, Illinois, is the national headquarters of the NOI; and in mid-1960 MUHAMMAD and other NOI officials, when referring to MUHAMMAD's organization on a nationwide basis, commenced using either "Mosque" or "Temple" when mentioning one of "Muhammad's Temples of Islam."

The NOI is an all-Negro organization which was originally organized in 1930 in Detroit, Michigan. MUHAMMAD claims to have been selected by Allah, the Supreme Being, to lead the so-called Negro race out of slavery in the wilderness of North America by establishing an independent black nation in the United States. Members following MUHAMMAD's teachings and his interpretation of the "Koran" believe there is no such thing as a Negro; that the so-called Negroes are slaves of the white race, referred to as "white devils," in the United States; and that the white race, because of its exploitation of the so-called Negroes, must and will be destroyed in the approaching "War of Armageddon."

In the past, officials and members of the NOI, including MUHAMMAD, have refused to register under the provisions of the Selective Service Acts and have declared that members owe no allegiance to the United States.

[REDACTED] said he (referring to KING) may be in New York, Atlanta, or ? Alabama and [REDACTED] is to find out in the morning (1/29/65) and will then go on down there. ELIJAH stated as for him the trouble was trying to get reservations on weekends. He said he was going to make it today because Friday and Saturday are bought out. ELIJAH told [REDACTED] he thought he might have something positive for the weekend or Monday or such that he (ELIJAH) would go ahead and make reservations to be sure. [REDACTED] told ELIJAH that what he would try and do would be to have a meet a week or two weeks away and it would then give ELIJAH plenty of time. ELIJAH commented he has another trip he was going to make sometime next week and might be back in about two or three weeks. He said he planned on leaving one day next week and take some rest until the 21st or 22nd of February. [REDACTED] stated he would then arrange it to ELIJAH's convenience and would arrange it until after the 20th or 21st. ELIJAH said it would be better/February 15, whereupon [REDACTED] said he would definitely make those arrangements then. ELIJAH stated [REDACTED] told ELIJAH to return there (believed referring to Chicago) this weekend but he [REDACTED] was in doubt then. ELIJAH continued by saying if something does not take place within the next four or five days, he did not think he would be able to take care of it until March [REDACTED] then said he would get on it right away and would go down there over the weekend and some way would find him and see if he can get it all straightened out. ELIJAH spoke of having his hands full until March.

The meeting was opened by MMI Executive Secretary James 67X Warden, who then introduced OAAU chairman and MMI leader Malcolm X Little as the featured speaker. Malcolm X spoke on the subject of "Ballots or Bullets".

According to [redacted] Malcolm X made the following remarks:

Malcolm X spoke at length on the civil rights movement in the United States. He outlined the history of the rights struggle by stating that promises were made to the Negro in 1963 and all "we" got was the murder of National Association for the Advancement of Colored People (NAACP) leader Medgar Evers and of President John F. Kennedy. In 1964 more promises were made to the Negro and all "we" got was the murder of three civil rights workers in Mississippi and of a Negro educator in Georgia.

Malcolm X stated that so far in 1965 the Mississippi Freedom Democrat Party has been rebuffed in their effort to unseat the illegally elected United States Congressmen from Mississippi and Negroes are being denied their right to register to vote in Alabama. Malcolm X stated that unless something is done for Negro voter registration "we" must take "drastic steps", and he predicted the "longest, hottest, bloodiest summer ever". He further stated that the Negro youth of today will not submit to these wrongs but will "take action", and he claimed that the present mood of the Negro is away from non-violence.

[redacted] advised that Malcolm X was extremely careful in making the above remarks and made absolutely no mention of possible future violence in the civil rights field by himself or anyone else, nor did he encourage any specific action.

[REDACTED] Malcolm X stated that the Negro masses have been deserted by the white liberals and that the Negro must look elsewhere for allies. He suggested that it was only natural to look to Africa and indicated that the Africans are ready and willing to assist the American Negro. He also referred to the Chinese Communists as "800 million dark people" who are not afraid of the United States and are willing to help the American Negro.

Malcolm X also remarked that recently he has purposely refrained from commenting about Elijah Muhammad and the NOI, but he plans to expose Muhammad's affiliation with the Ku Klux Klan.

APPENDIX

MUSLIM MOSQUE, INCORPORATED (MMI)

The March 13, 1964, edition of "The New York Times," a daily newspaper published in New York, New York, contained an article on page 20 which indicated that MALCOLM X (LITTLE), former national official of the Nation of Islam (NOI) who broke with the NOI on March 8, 1964, publicly announced in New York City on March 12, 1964, that he had formed the Muslim Mosque, Incorporated (MMI). The MMI, according to the article would be a broadly based politically oriented black nationalist movement for Negroes only, financed by voluntary contributions. In this public statement MALCOLM X urged Negroes to abandon the doctrine of non-violence when it is necessary to defend themselves in the civil rights struggle, and he also suggested that Negroes form rifle clubs to protect their lives and property in time of emergencies in areas where the government is unable or unwilling to protect them.

Incorporation papers of the MMI filed on March 16, 1964, with the Business Section, Clerk of Courts, New York County, New York, New York, reflect that the MMI was incorporated under the Religious Corporation Law of the State of New York to work for the imparting of the Islamic Faith and Islamic Religion in accordance with "accepted Islamic principals." The principal place of worship to be located in the Borough of Manhattan, New York, New York.

The May 23, 1964, edition of the "New York Amsterdam News," a weekly Negro newspaper published in New York City, contained an article by columnist JAMES BOOKER in which he indicated that he had heard that the visit by MALCOLM X with Muslim leaders during his African tour has changed him to become soft in his anti-white feelings and to become more religious.

On October 6, 1964, a confidential source advised that the MMI is apparently affiliated with the true orthodox Islamic Religion through its affiliation with the Islamic Foundation (of New York), 1 Riverside Drive, New York City. The only teachings of the MMI are on the Islamic Religion.

A second confidential source advised on October 20, 1964, that the headquarters of the MMI are located in Suite 128, Hotel Theresa, 2090 Seventh Avenue, New York, New York, where they were established on March 16, 1964. These headquarters are shared with the Organization of Afro-American Unity (OAAU) which is also headed by MALCOLM X.

Muhammad's Temples of Islam

In January, 1957, a source advised ELIJAH MUHAMMAD has described his organization on a nationwide basis as the "Nation of Islam," (NOI) and "Muhammad's Temples of Islam."

On May 8, 1964, a second source advised ELIJAH MUHAMMAD is the national leader of the NOI; Muhammad's Temple of Islam No. 2, 5335 South Greenwood Avenue, Chicago, Illinois, is the national headquarters of the NOI; and in mid-1960, MUHAMMAD and other NOI officials, when referring to MUHAMMAD'S organization on a nationwide basis, commenced using either "Mosque" or "Temple" when mentioning one of "Muhammad's Temples of Islam."

The NOI is an all-Negro organization which was originally organized in 1930 in Detroit, Michigan. MUHAMMAD claims to have been selected by Allah, the Supreme Being, to lead the so-called Negro race out of slavery in the wilderness of North America by establishing an independent black nation in the United States. APPENDIX

ORGANIZATION OF AFRO-AMERICAN UNITY (OAAU)

On June 28, 1964, MALCOLM X LITTLE, founder and leader of the Muslim Mosque, Incorporated (MMI), publicly announced the formation of a new, all Negro, militant civil rights action group to be known as the Organization of Afro-American Unity (OAAU), with himself as Chairman. This announcement was made at a public rally held by the MMI in the Audubon Ballroom, Broadway and 166th Street, New York City.

A printed and published statement of basic OAAU aims read by MALCOLM X at this meeting indicates that it shall include "all" people of African descent in the Western Hemisphere, as well as "our" brothers and sisters on the African continent. It is patterned after the "letter and spirit" of the Organization of African Unity established (by African heads of States) at Addis Ababa, Ethiopia, in May, 1963.

A recording of the remarks of MALCOLM X at this meeting indicates that the aim of the OAAU is to eliminate differences between Negroes so they can work together for "human rights," while the initial objective is to "internationalize" the American civil rights movement by taking it to the United Nations. LITTLE condemned the non-violent civil rights movement and claims that Negroes should be taught to protect themselves, when and if necessary. The OAAU will sponsor a program for Negroes of education, politics, culture, economics and social reform.

On August 19, 1964, a confidential source advised that the headquarters of the OAAU are located in MMI headquarters, Suite 128, Hotel Theresa, 2090 7th Avenue, New York City.

## Black Muslim Chief Loses Damage Suit

A federal judge has ruled, in the \$17,850 damage suit of Elijah Muhammad, Black Muslim leader, against the U.S. government in an auto-bus crash, that any injuries sustained by those in the Muhammad car were due to its driver's negligence.

Judge Roger T. Foley of Las Vegas, Nev., heard the suit in U.S. District Court here. Conclusions of law filed in the case state that the Muhammad car was going 50 to 60 miles an hour and the school bus with which it collided was going not more than 10 miles an hour.

The accident occurred at the Casa Blanca and Arizona 83 intersection near Sacramento Jan. 25, 1962. Muhammad, who lives in Phoenix, and three others were complainants in the suit.

In addition to the data set out in letterhead memorandum, the following information was also obtained from [REDACTED] on the dates designated and is set out for information of the Bureau and respective Offices.

February 1, 1965

[REDACTED] was in contact with ELIJAH MUHAMMAD and stated he had planned on flying south that evening to see KING but he, (KING) was arrested on that date. ELIJAH commented jokingly that maybe [REDACTED] would have to go down and bail him out. ELIJAH also said he (KING) is a hard working man but just needs to be put on the right track. He is a young man, about thirty-five years of age, and needs someone twice that old to show him the rough and smooth spots. ELIJAH stated he (KING) could accomplish things but needs plenty of help and the others around him can't be depended upon. [REDACTED] told ELIJAH that he had purchased his ticket but would change it for a later date. He said he would definitely leave there (Chicago) by Friday, February 5, 1965. ELIJAH commented that he (KING) would probably be out of jail in a few hours. [REDACTED] told ELIJAH that he would keep in touch and as soon as he heard that KING was out, he would go down there. ELIJAH told [REDACTED] that that was allright because [REDACTED] would not want to get himself in any hot water. He told [REDACTED] to be sure that his trip was successful.

February 6, 1965

[REDACTED] was in contact with ELIJAH MUHAMMAD and ELIJAH asked him if he had heard any more from that fellow. [REDACTED] replied No. ELIJAH asked if he heard whether he (believe referring to [REDACTED]) went or not, and [REDACTED] replied that he had not heard either way. ELIJAH commented he might be coming up all of a sudden because the other fellow is free now.

February 8, 1965

[REDACTED] was in contact with ELIJAH MUHAMMAD and told him that he had just returned from Atlanta that evening. [REDACTED] also said, "The whole thing looked quite favorable." He said there were two questions involved.

b7c

(1) Whether more individuals should be at the meeting as people like "WILKINS and FARMER or such," whereupon ELLIJAH replied that if possible it would make it that much better. \_\_\_\_\_ said the other question pertained to the time. He said that he (KING) is busy the next two weeks or so being involved down there where he is. ELLIJAH pointed out that he (ELLIJAH) would be busy during the last week of February. \_\_\_\_\_ said there were two possibilities but which could not be decided now because he (KING) has to talk to the other individuals. \_\_\_\_\_ suggested to ELLIJAH February 23th as a possibility and ELLIJAH pointed out that the convention was February 26-28. \_\_\_\_\_ suggested that sometime in March might be better and ELLIJAH said he thought before March would be better. ELLIJAH spoke of having a national TV hook-up for some fifteen to thirty minutes. He implied that this program would have something to do with Savior's Day and that the NOI might have to pay for it. ELLIJAH continued by stating that he would like this (meeting with KING) to be first because of the value of unity of their people (Negroes) in the United States. ELLIJAH said that he (ELLIJAH) has the leadership of the darker people on his side - meaning the top individuals of other countries. \_\_\_\_\_ pointed out that he (KING) is going to be in Los Angeles February 24 - 27 and maybe they could arrange something in Phoenix on the 23rd. ELLIJAH commented Phoenix would be a fine place for it because of it being quiet. \_\_\_\_\_ told ELLIJAH as soon as he heard from them he would get in touch with ELLIJAH. ELLIJAH pointed out he should be in Chicago for the 23rd, but he would return to Phoenix if necessary. He said he would be very busy from the 20th to the 26th and would like it before or on the 20th. He said it would do them more good as they have never had any world acclaim to what they are doing and it would be world acclaim like it was with CLAY (MUHAMMAD ALI) after he became MUHAMMAD. ELLIJAH said, "We aren't particular about the other world but the main thing is our own world now and any ~~name~~ made now will get credit throughout Africa and Asia." He said this would be like a bombshell on them (the devils). It would be like MUHAMMAD ALI when it was the first time anyone heard about him. ELLIJAH said that they would be given no credit by

the Europeans. He continued, stating it would then be said that they (Negroes) have solidarity and that they can now move forward with the world with their kind. ELLIJAH told [redacted] that the people must forget the old world and its promises. [redacted] asked ELLIJAH what he should do if they asked for help in the cost of plane fares. ELLIJAH said either Phoenix or Chicago would do but he preferred it be in Chicago as he would be there at that time (after Sunday, February 14) and then he would not have to return to Phoenix. He said he did not think it would take over one hour. [redacted] stated that if they agreed and it was suggested they may need some help on the fare, that [redacted] could tell them ELLIJAH would help out on it. ELLIJAH commented it would be an insult to such people because they also have theirs paid by others like he does. ELLIJAH said none of the expenses is on ourselves, it's on those who are with us and follow us. ELLIJAH said he would pay it under the cuff but to keep it a secret. He said if it can't be this way then they could have it on the 28th in Chicago. ELLIJAH said he would be busy with the Nation (NOI) from 2:00 to 4:00 P.M. and he suggested that they could take a look into the program while there on that Sunday. ELLIJAH said they could meet at 10:00 A.M. on the 28th (February 28, 1965) in Chicago. ELLIJAH said he would wait until he heard from [redacted] again.

NATION OF ISLAM

A characterization of the Nation of Islam (NOI) is included in the Appendix of this memorandum.

A confidential informant advised in February, 1965 that efforts were being made to possibly arrange a meeting between Elijah Muhammad, head of the Nation of Islam (NOI), Martin Luther King, Roy Wilkins, National Executive Secretary of the National Association For The Advancement of Colored People (NAACP), and James Farmer, National Director of the Congress of Racial Equality (CORE). The purpose of such a meeting would be to show the unity of the Negroes in the United States, which would then be acclaimed throughout Africa and Asia. This informant stated the proposed meeting might possibly take place on February 28, 1965 in Chicago, Illinois.

NATION OF ISLAM, formerly referred to as the Muslim Cult of Islam, also known as Muhammad's Temples of Islam

In January, 1957, a source advised ELIJAH MUHAMMAD has described his organization on a nationwide basis as the "Nation of Islam," (NOI) and "Muhammad's Temples of Islam."

On May 8, 1964, a second source advised ELIJAH MUHAMMAD is the national leader of the NOI; Muhammad's Temple of Islam No. 2, 5335 South Greenwood Avenue, Chicago, Illinois, is the national headquarters of the NOI; and in mid-1960, MUHAMMAD and other NOI officials, when referring to MUHAMMAD's organization on a nationwide basis, commenced using either "Mosque" or "Temple" when mentioning one of "Muhammad's Temples of Islam."

The NOI is an all-Negro organization which was originally organized in 1930 in Detroit, Michigan. MUHAMMAD claims to have been selected by Allah, the Supreme Being, to lead the so-called Negro race out of slavery in the wilderness of North America by establishing an independent black nation in the United States. Members following MUHAMMAD's teachings and his interpretation of the "Koran" believe there is no such thing as a Negro; that the so-called Negroes are slaves of the white race, referred to as "white devils", in the United States; and that the white race, because of its exploitation of the so-called Negroes, must and will be destroyed in the approaching "War of Armageddon."

In the past, officials and members of the NOI, including MUHAMMAD, have refused to register under the provisions of the Selective Service Acts, and have declared that members owe no allegiance to the United States.

NATION OF ISLAM

The Nation of Islam (NOI) is referred to in the appendix section of this communication.

On February 22, 1965, a source advised that Elijah Muhammad had held a press conference that date in connection with the assassination of Malcolm Little.

Malcolm Little is described in the appendix section of this communication under the characterizations of Muslim Mosque, Inc., and the Organization of Afro-American Unity.

In response to questions asked at this conference Elijah Muhammad stated he was not afraid his life was in danger as he has "done nothing to make him afraid. He said the Black Muslims are not responsible for Malcolm's death as it is against Muslim teachings. He added that the death of Malcolm would have no ramifications on the Muslim movement as there were not many people with Malcolm. He said the main disagreement between Malcolm and himself was over arms, and that NOI members are forbidden to carry arms while Malcolm favored the carrying of arms and was, therefore, the victim of what he preached.

Muhammad also stated he was deeply shocked over Malcolm's violent death and said nothing separated Malcolm from the NOI but the issue of arms.

In January, 1957, a source advised ELIJAH MUHAMMAD has described his organization on a nationwide basis as the "Nation of Islam" and "Muhammad's Temples of Islam."

On May 8, 1964, a second source advised ELIJAH MUHAMMAD is the national leader of the Nation of Islam (NOI); Muhammad's Temple of Islam No. 2, 5335 South Greenwood Avenue, Chicago, Illinois, is the national headquarters of the NOI; and in mid-1960 MUHAMMAD and other NOI officials, when referring to MUHAMMAD's organization on a nationwide basis, commenced using either "Mosque" or "Temple" when mentioning one of "Muhammad's Temples of Islam."

The NOI is an all-Negro organization which was originally organized in 1930 in Detroit, Michigan. APPENDIX

MUSLIM MOSQUE, INCORPORATED (MMI)

The March 13, 1964, edition of "The New York Times," a daily newspaper published in New York, New York, contained an article on page 20 which indicated that MALCOLM X (LITTLE), former national official of the Nation of Islam (NOI) who broke with the NOI on March 8, 1964, publicly announced in New York City on March 12, 1964, that he had formed the Muslim Mosque, Incorporated (MMI). The MMI, according to the article, would be a broadly based politically oriented black nationalist movement for Negroes only, financed by voluntary contributions. In this public statement MALCOLM X urged Negroes to abandon the doctrine of non-violence when it is necessary to defend themselves in the civil rights struggle, and he also suggested that Negroes form rifle clubs to protect their lives and property in time of emergencies in areas where the government is unable or unwilling to protect them.

Incorporation papers of the MMI filed on March 16, 1964, with the Business Section, Clerk of Courts, New York County, New York, New York, reflect that the MMI was incorporated under the Religious Corporation Law of the State of New York to work for the imparting of the Islamic Faith and Islamic Religion in accordance with "accepted Islamic principals." The principal place of worship to be located in the Borough of Manhattan, New York, New York.

The May 23, 1964, edition of the "New York Amsterdam News," a weekly Negro newspaper published in New York City, contained an article by columnist JAMES BOOKER in which he indicated that he had heard that the visit by MALCOLM X with Muslim leaders during his African tour has changed him to become soft in his anti-white feelings and to become more religious.

On October 6, 1964, a confidential source advised that the MMI is apparently affiliated with the true orthodox Islamic Religion through its affiliation with the Islamic Foundation (of New York), 1 Riverside Drive, New York City. The only teachings of the MMI are on the Islamic Religion.

A second confidential source advised on October 20, 1964, that the headquarters of the MMI are located in Suite 128, Hotel Theresa, 2090 Seventh Avenue, New York, New York, where they were established on March 16, 1964. Those headquarters are shared with the Organization of Afro-American Unity (OAAU) which is also headed by MALCOLM X.

APPENDIX

ORGANIZATION OF AFRO-AMERICAN UNITY (OAAU)

On June 28, 1964, MALCOLM X LITTLE, founder and leader of the Muslim Mosque, Incorporated (MMI), publicly announced the formation of a new, all Negro, militant civil rights action group to be known as the Organization of Afro-American Unity (OAAU), with himself as Chairman. This announcement was made at a public rally held by the MMI in the Audubon Ballroom, Broadway and 166th Street, New York City.

A printed and published statement of basic OAAU aims read by MALCOLM X at this meeting indicates that it shall include "all" people of African descent in the Western Hemisphere, as well as "our" brothers and sisters on the African continent. It is patterned after the "letter and spirit" of the Organization of African Unity established (by African heads of States) at Addis Ababa, Ethiopia, in May, 1963.

A recording of the remarks of MALCOLM X at this meeting indicates that the aim of the OAAU is to eliminate differences between Negroes so they can work together for "human rights," while the initial objective is to "internationalize" the American civil rights movement by taking it to the United Nations. LITTLE condemned the non-violent civil rights movement and claims that Negroes should be taught to protect themselves, when and if necessary. The OAAU will sponsor a program for Negroes of education, politics, culture, economics and social reform.

On August 19, 1964, a confidential source advised that the headquarters of the OAAU are located in MMI headquarters, Suite 128, Hotel Theresa, 2090 7th Avenue, New York City.

NATION OF ISLAM

The Nation of Islam (NOI) is described in the latter pages of this communication.

On February 22 and 23, 1965, Wesley South, Moderator of the question-answer program "Hot Line" over Chicago radio station WVON, interviewed Elijah Muhammad. This program, which is on the air 11:00 p.m. to midnight, was monitored by a Special Agent of the Federal Bureau of Investigation.

In response to questions regarding the assassination of Malcolm K. Little and the NOI, Muhammad stated as follows:

Malcolm Little is described in the appendix pages of this memorandum under the characterizations of Muslim Mosque, Incorporated and Organization of Afro-American Unity.

The murder of Malcolm X was a shock and surprise to us. We are investigating the charge all over the country to see if the NOI is responsible and to see if we can come up with the man's name in our records, but as of now we have no record. I have preached for thirty-four years we are against this type of thing. Malcolm left and began teaching hate and the arming of his members. We in the NOI are against this position as it would be suicide to take up arms against this country. Allah teaches us not to carry guns and we do not carry any. We have no guns, bombs or artillery pieces to field. The Koran teaches that if one opposes the Messenger and repents he is forgiving, but if he does not repent he is subject to divine chastisement such as death or hell fire.

102 - 1826 -

ENCLOSURE

Muhammad stated he did not know the reason why Malcolm was killed; nor who killed him. Muhammad has not asked police protection, but appreciates it, adding he was a taxpayer.

Muhammad stated he has heard assassins are coming for him but that he was not frightened, as he was on Allah's mission and was not running.

Muhammad stated he had two hundred thousand to three hundred thousand members all over the world. He said some people in order to keep their racial pride teach hate. Muhammad doesn't teach violence except to fight back if attacked. The NOI is never the aggressor. Muhammad does not teach hate, only the truth and the white men are a wicked, devil race. A Muslim is one who has submitted himself to Islam.

Muhammad stated he would not back any man who used violence and in the event it subsequently might be discovered a member of the NOI killed Malcolm, added he would not back any man who used violence as the Koran only teaches us to kill on the order of Allah. This would be handled in the same way that God advised Moses to lead and help his people as set forth in the Bible.

On February 23, 1965, Elijah Muhammad in response to questions submitted by individuals who called in to radio station WVON advised as follows:

That when Malcom X remarked that the "Chickens had come home to roost" in regards to the assassination of President Kennedy he meant that this individual had come to his end. The son who had denounced him had now returned and confessed and did not have knowledge of the truth when this occurred. Now he has true knowledge.

A source advised in early July, 1964, that Wallace Mohammed, son of Elijah Muhammad, was a former minister in the NOI, but deviated from the NOI in late May, 1964, and was dismissed therefrom by Muhammad.

The February 25, 1965, issue of "Chicago American", a Chicago, Illinois daily newspaper, contained an item on page 1, that Wallace Mohammed would be permitted by his father to rejoin the NOI.

NATION OF ISLAM, Formerly Referred  
to as the Muslim Cult of Islam, Aka.  
Muhammad's Temples of Islam

In January, 1957, a source advised ELIJAH MUHAMMAD has described his organization on a nationwide basis as the "Nation of Islam" and "Muhammad's Temples of Islam."

On May 8, 1964, a second source advised ELIJAH MUHAMMAD is the national leader of the Nation of Islam (NOI); Muhammad's Temple of Islam No. 2, 5335 South Greenwood Avenue, Chicago, Illinois, is the national headquarters of the NOI; and in mid-1960 MUHAMMAD and other NOI officials, when referring to MUHAMMAD's organization on a nationwide basis, commenced using either "Mosque" or "Temple" when mentioning one of "Muhammad's Temples of Islam."

The NOI is an all-Negro organization which was originally organized in 1930 in Detroit, Michigan. MUHAMMAD claims to have been selected by Allah, the Supreme Being, to lead the so-called Negro race out of slavery in the wilderness of North America by establishing an independent black nation in the United States. Members following MUHAMMAD's teachings and his interpretation of the "Koran" believe there is no such thing as a Negro; that the so-called Negroes are slaves of the white race, referred to as "white devils," in the United States; and that the white race, because of its exploitation of the so-called Negroes, must and will be destroyed in the approaching "War of Armageddon."

In the past, officials and members of the NOI, including MUHAMMAD, have refused to register under the provisions of the Selective Service Acts and have declared that members owe no allegiance to the United States.

APPENDIXMUSLIM MOSQUE, INCORPORATED (MMI)

The March 13, 1964, edition of "The New York Times," a daily newspaper published in New York, New York, contained an article on page 20 which indicated that MALCOLM X (LITTLE), former national official of the Nation of Islam (NOI) who broke with the NOI on March 8, 1964, publicly announced in New York City on March 12, 1964, that he had formed the Muslim Mosque, Incorporated (MMI). The MMI, according to the article, would be a broadly based politically oriented black nationalist movement for Negroes only, financed by voluntary contributions. In this public statement MALCOLM X urged Negroes to abandon the doctrine of non-violence when it is necessary to defend themselves in the civil rights struggle, and he also suggested that Negroes form rifle clubs to protect their lives and property in time of emergencies in areas where the government is unable or unwilling to protect them.

Incorporation papers of the MMI filed on March 16, 1964, with the Business Section, Clerk of Courts, New York County, New York, New York, reflect that the MMI was incorporated under the Religious Corporation Law of the State of New York to work for the imparting of the Islamic Faith and Islamic Religion in accordance with "accepted Islamic principals." The principal place of worship to be located in the Borough of Manhattan, New York, New York.

The May 23, 1964, edition of the "New York Amsterdam News," a weekly Negro newspaper published in New York City, contained an article by columnist JAMES BOOKER in which he indicated that he had heard that the visit by MALCOLM X with Muslim leaders during his African tour has changed him to become soft in his anti-white feelings and to become more religious.

On October 6, 1964, a confidential source advised that the MMI is apparently affiliated with the true orthodox Islamic Religion through its affiliation with the Islamic Foundation (of New York), 1 Riverside Drive, New York City. The only teachings of the MMI are on the Islamic Religion.

A second confidential source advised on October 20, 1964, that the headquarters of the MMI are located in Suite 128, Hotel Theresa, 2090 Seventh Avenue, New York, New York, where they were established on March 16, 1964. These headquarters are shared with the Organization of Afro-American Unity (OAAU) which is also headed by MALCOLM X.

NATION OF ISLAM

The Nation of Islam (NOI) is described in the appendix pages of this communication.

On February 21, 1965, a source advised he had learned that one of Elijah Muhammad's followers in New York City had been in contact with an NOI Lieutenant in Chicago and had stated that six of Malcolm X's followers had boarded a plane for Chicago to take the Messenger's (Elijah Muhammad) life.

The first source further advised that he had learned that Elijah Muhammad on being informed that six of Malcolm X's followers were en route to Chicago to take his life stated that as he is here in Chicago he does not know what goes on in New York until he is told. According to the source, Muhammad also indicated that Malcolm was killed at one of his (Malcolm's) meetings and not an NOI meeting and that Malcolm's own gang got him. This was in response to a question by Balm Leavell, publisher of the Chicago weekly newspaper, "The Crusader". The source also advised that Muhammad stated he had nothing to say concerning this matter.

Malcolm X Little is described in the appendix section of this communication under characterizations of Muslim Mosque, Inc., and the Organization of Afro-American Unity.

The first source also advised on February 21, 1965, that he had learned that [REDACTED] had issued instructions for members of the NOI to go to the University of Islam, 5333 South Greenwood Avenue, Chicago, Illinois, as information had been received that harm was to be done to the school. All available members were instructed to go to the school.

The first source further advised on February 21, 1965, that Elijah Muhammad had been advised by one of his followers in Phoenix, Arizona, that the Phoenix Police Department desired to place a guard over Muhammad when he returned to that city. The source advised that Muhammad reportedly issued instructions to inform the Phoenix Police Department that he appreciated their consideration, but that things would be all right, adding that the Chicago Police Department was guarding his home in Chicago at that time because of a threat put out in New York. According to source, Muhammad indicated he had heard a threat that a carload of "Little fellows" were on their way to Chicago, but that he was not afraid of them. Muhammad also indicated that "they" killed their own man in their own place and that they were crazy as the NOI had nothing to do with that.

APPENDIX

ORGANIZATION OF AFRO-AMERICAN UNITY (OAAU)

On June 28, 1964, MALCOLM X LITTLE, founder and leader of the Muslim Mosque, Incorporated (MMI), publicly announced the formation of a new, all Negro, militant civil rights action group to be known as the Organization of Afro-American Unity (OAAU), with himself as Chairman. This announcement was made at a public rally held by the MMI in the Audubon Ballroom, Broadway and 165th Street, New York City.

A printed and published statement of basic OAAU aims read by MALCOLM X at this meeting indicates that it shall include "all" people of African descent in the Western Hemisphere, as well as "our" brothers and sisters on the African continent. It is patterned after the "letter and spirit" of the Organization of African Unity established (by African heads of States) at Addis Ababa, Ethiopia, in May, 1963.

A recording of the remarks of MALCOLM X at this meeting indicates that the aim of the OAAU is to eliminate differences between Negroes so they can work together for "human rights," while the initial objective is to "internationalize" the American civil rights movement by taking it to the United Nations. LITTLE condemned the non-violent civil rights movement and claims that Negroes should be taught to protect themselves, when and if necessary. The OAAU will sponsor a program for Negroes of education, politics, culture, economics and social reform.

On August 19, 1964, a confidential source advised that the headquarters of the OAAU are located in MMI headquarters, Suite 128, Hotel Theresa, 2090 7th Avenue, New York City.

On February 17, 1965, First Assistant Attorney General Richard Friedman and Assistant Illinois Attorney General Thomas Decker, Chicago, Illinois, advised Special Agents of the FBI that during the stay of Malcolm X Little in Chicago during the week end of January 29-31, 1965, he was interviewed regarding his testifying in the case "Thomas Cooper vs. State of Illinois" which is to come to trial on March 22, 1965, in United States District Court, Chicago, Judge Richard B. Austin presiding. Friedman and Decker stated the case involves matters concerning the practicing of the Muslim religion in the Illinois State Prison (ISP), of which Cooper is an inmate. Malcolm indicated he was favorable to testifying in that trial.

Malcolm Little is described in the appendix section of this communication under the characterization Muslim Mosque, Inc. (MMI) and Elijah Muhammad is also described in appendix pages hereto regarding the Nation of Islam (NOI).

On February 24, 1965, Thomas Decker advised that due to the death of Malcolm Little the Illinois Attorney General's office was considering subpoenaing Elijah Muhammad and NOI records in connection with that trial.

The "Chicago Sun-Times", a Chicago, Illinois daily newspaper, in its edition of June 23, 1964, contained an item captioned "Illinois Prisoner Wins Plea in Muslim Case." This item stated in substance that the United States Supreme Court on June 22, 1964, directed a lower tribunal to rule on the protest of an ISP inmate, Thomas Cooper, who had protested in a lower tribunal that he was not permitted to practice his Muslim Cult of Islam religion, and was denied equal protection of laws under the United States Constitution. The Supreme Court said federal courts in Chicago had erred in not ruling on his complaint and held the complaint stated a proper cause of action and should have not been dismissed.

MUHAMMAD'S ISLAM, formerly referred to as the Muslim City of Islam, also known as Muhammad's Temples of Islam

In January, 1957, a source advised ELIJAH MUHAMMAD had described his organization on a nationwide basis as the "Nation of Islam," (NOI) and "Muhammad's Temples of Islam."

On May 2, 1964, a second source advised ELIJAH MUHAMMAD is the national leader of the NOI; Muhammad's Temple of Islam No. 2, 5888 South Greenwood Avenue, Chicago, Illinois, is the national headquarters of the NOI; and in mid-1960, MUHAMMAD and other NOI officials, when referring to MUHAMMAD's organization on a nationwide basis, commenced using either "Mosque" or "Temple" when mentioning one of "Muhammad's Temples of Islam."

The NOI is an all-Negro organization which was originally organized in 1930 in Detroit, Michigan. MUHAMMAD claims to have been selected by Allah, the Supreme Being, to lead the so-called Negro race out of slavery in the wilderness of North America by establishing an independent Black nation in the United States. Members following MUHAMMAD's teachings and his interpretation of the "Koran" believe there is no such thing as a Negro; that the so-called Negroes are slaves of the white race, referred to as "white devils", in the United States; and that the white race, because of its exploitation of the so-called Negroes, must and will be destroyed in the approaching "War of Armageddon."

In the past, officials and members of the NOI, including MUHAMMAD, have refused to register under the provisions of the Selective Service Acts, and have declared that members owe no allegiance to the United States.

in detail about the weather and other factors concerning the lawsuit. He commented that a person did not even need any schooling to see this judgment was wrong. He said he knew what the trouble was and it was that a "Negro and ELIJAH MUHAMMAD were involved in this and ELIJAH even used a Nigger lawyer". He said that was the trouble and if a white lawyer had been on it, then the devils may have let him get it just so the devils would get some of the money. Synopsis:

USDJ ROGER T. FOLEY, Phoenix, Arizona, entered judgment for defendant on 2/4/65 and judgment filed on 3/8/65. Plaintiff's suit for damages of \$177,950 denied, resulting in savings to US Government of \$177,950.

-C-

DETAILS:

The February 9, 1965, issue of the "Phoenix Gazette", local newspaper, Phoenix, Arizona, carried an article entitled "Black Muslim Chief loses damage suit". It stated in this article that a Federal Judge had ruled in favor of the United States Government and denied the plaintiffs a \$177,950 damages asked in the suit. This suit resulted from an automobile accident which occurred on January 25, 1962.

The records of the U. S. District Clerk's Office, Federal Building, Phoenix, Arizona, as checked on February 24, 1965, reflect U. S. District Judge ROGER T. FOLEY determined on February 4, 1965, the "findings of fact and conclusions of law". This was filed in the Clerk's Office on February 5, 1965, in which an order directing counsel for the defendant to submit form of judgment for the defendant was filed. This action was brought under the Federal

Tort Claims Act, 28 U. S. Code Annotated, Section 1346 (b) and Judge FOLEY found the defendant not guilty of negligence and found negligence on the part of plaintiff, ALBERT BROWN. The title of this case listed in the records of the U. S. District Clerk, Phoenix, is ELIJAH MUHAMMAD, ET AL, vs. UNITED STATES, ET AL, NO. CIV. 4150 PHOENIX.

On March 9, 1965, the records of the U. S. District Clerk's Office, Federal Building, Phoenix, Arizona, were examined and it was ascertained that on March 8, 1965, judgment for the defendant had been filed. It had been ordered, adjudged and decreed that the plaintiffs or any of them take nothing by reason of this action and it was signed by U. S. District Judge ROGER T. FOLEY on March 5, 1965.

The records reflect that in the original complaint filed by the plaintiffs on April 19, 1962, judgment for \$177,950 was asked for the listed plaintiffs; ELIJAH MUHAMMAD, \$5,200; ALBERT BROWN, \$57,500; FRANCES BROWN, \$55,000; BASHIE MUHAMMAD, \$5,250; JOYCE MUHAMMAD \$55,000.

Since the judgment in this action was found in favor of the defendant, the United States Government, such resulted in the savings of \$177,950 to the United States Government.

The March 6, 1965, issue of "The New Crusader", a Chicago, Illinois weekly newspaper, contained an item captioned "Muhammad Lashes 'White Devils' Defies Death Threats." This item in substance stated that black Muslim leader ELIJAH MUHAMMAD lashed the "white devils" for their inhuman treatment of the black man and warned his enemies that his efforts to kill him mean doom. MUHAMMAD made the statement during the two sessions he appeared at the three day convention of the AMC which attracted thousands of his followers to the Coliseum on South Wabash Avenue during the last weekend of February, 1965.

Writings

"The New Crusader" is a self-described we  
newspaper published at 4327 South Indiana  
Avenue, Chicago, Illinois.

CG 100-6989

During the period between October 3, 1964, and March 13, 1965, a column "Mr. Muhammad Speaks" by ELIJAH MUHAMMAD appeared in "The New Crusader" on a weekly basis. Typical examples of material contained in those articles are as follows:

October 3, 1964 edition

I appeal to all Muslim sympathizers and to all members of the black race to sacrifice at least 5¢ a day to "create an economic savings program" to help fight unemployment, abominable housing, hunger and poverty of 22 million black people in America. There are thousands of our people living in worse conditions than dogs and pigs. He urged individuals to send 25¢ each week to MTI No. 2 where that amount would be banked until there would be a million dollar balance to begin building a competent banking system.

November 14, 1964 edition

The fall of America is now visible and understandable not only in the eyes of scholars and scientists but even in the eyes and understanding of the ignorant. It is visibly understood that the fall of America cannot be checked for the foundation has been removed. The 1914 war marked the fall and end of the white world as a power over the black world. I warn my people to be aware of the evil white race which teaches the black man to hate me and then charge me with teaching hate.

December 19, 1964 edition

There is no justice for the black man under the rule of the white man. There is no sign in the white man that he will or desires to treat the black man equally as he does himself and his kind. It is not the nature of the white man to treat the black man rightly and it cannot be done.

CG 100-6989

January 16, 1965 edition

ALLAH desires to make America's fall a warning to her brothers of Europe. ALLAH has taught me, MUHAMMAD, that white Americans and Germans are the most wicked of the white race. The wicked deeds that have been performed and that are being performed by white Americans upon the black man are the worst in the annals of human history. They have been clever enough in their wickedness to make the black man love them when they are their open enemies and murderers.

January 30, 1965 edition

Today we are charged with sedition and seeking to overthrow the government and destroy the white race for preaching the coming judgement of the world. I would like to make it clear that these are evil days, deceitful days and also murderous and bloody days for the nation. They are the days of widespread evil and trouble. The truth of the rule of the black man is sealed until the time of the end of the Caucasian civilization.

March 13, 1965 edition

The so-called American Negro is now at a time when they must decide on life or death. The world that is known is on its way out and desires to carry the black man with it. This will not be so as members of the original black nations of which we are members have been chosen by ALLAH to make a great nation under his guidance to excel over other nations who were before us. America is the number 1 country that ALLAH wishes to destroy, but will not destroy them until you have heard the truth of her and of yourself. In this world of crisis and destruction of nations the only escape the black man has is in following MUHAMMAD.

A review of all issues of "Muhammad Speaks" from October 9, 1964, through March 26, 1965, reflects that each issue contained an article by ELIJAH MUHAMMAD on pages 1 and 3. Listed below by date are captions of articles by MUHAMMAD which are felt pertinent and with certain statements from the original source set forth in part. Articles wherein information is set forth containing MUHAMMAD's usual line of writing have not been reported.

"Muhammad Speaks" until February 5, 1965, was a self-described bi-weekly publication published by Muhammad's Mosque No. 2 with offices at 634 East 79th Street, Chicago, Illinois. Page 1 of each issue of that publication contains the statement "Dedicated to freedom, justice and equality for the so-called Negroes. The earth belongs to Allah."

Beginning with the issue dated February 5, 1965, the above masthead reflected that "Muhammad Speaks" was a weekly publication.

The October 9, 1964, issue of "Muhammad Speaks" contained an item by ELIJAH MUHAMMAD captioned "The Unity of 22 Million." This item in substance called for the unity of 22 million black Americans behind a program designed to achieve economic independence and security. It called for a solid united black front to grapple with the critical problems facing Negroes as a result of his "400 years" of segregation and serfdom.

The October 23, 1964, issue of "Muhammad Speaks" contained an item captioned "The Truth is Best Weapon" by ELIJAH MUHAMMAD. This item in substance stated that in this perilous and evil time with the confusion of the people, government leaders and rulers, the poor lost-found members of the black nation know that their salvation

CG 100-6989

and their greatest weapon at this time is the teachings and preachings of the true ALLAH. The item stated that it is the black man's very life to follow such teachings as it will bring him out of the spiritual darkness and ignorance into which he has been placed by the enemy of the God of truth and understanding. This item also urged members of the black race to contribute to the three year economic program which stated such program would work a miracle for the black man financially.

The item added that this is the number 1 indication

CG 100-6989

of the fall of America as it is very clear that the loss of the power of the American dollar means the loss of the financial power of America.

The December 18, 1964, issue of "Muhammad Speaks" contained an item captioned "The Two Must be Separate!" by ELIJAH MUHAMMAD. This item in substance stated that without a shadow of a doubt the black man must be separated from the white man since there is no peace among these people. We must do something for ourselves. CG 100-6989

fall as a warning to her brothers in Europe. It stated that ALLAH had chosen MUHAMMAD to teach the black man to accept his own kind. It stated that the black man of America were the lost and found members of the tribe of Shabazz from the great aboriginal people of the earth--the black nation. He stated that his followers were the Black Nation who had lived under the rule of others for over 6,000 years which had brought much misunderstanding.

The February 12, 1965, issue of "Muhammad Speaks" contained an item captioned "Breakup of the Old World" by ELIJAH MUHAMMAD. This item in substance stated that today the black man lives at the end of the world for people who have ruled the black man and his various colors between black and white for the last 6,000 years. It stated that the world of disbelievers and hypocrites know these days are the end of the rule of the white man.

The February 19, 1965, issue of "Muhammad Speaks" contained an item captioned "The Resurrection of Our People" by ELIJAH MUHAMMAD. This item in substance stated that the old world must be removed to make way for the new world. It stated that there is a universal struggle being waged by the old world against the beginning of the new world and posed the question as to whether the old world's opposition would prevent the establishment of the new world.

CG 100-6989

It stated that according to recorded history efforts being made by the old world against the beginning of a new world would fail as did former opponents of ALLAH. The item stated that the black man was now living in the judgement or doom of the white man's world and that preparations have been made to meet every effort by the white man to oppose the beginning and setting up of ALLAH's new world of righteousness (Islam).

The February 26, 1965, issue of "Muhammad Speaks" contained an item captioned "Falling, Falling The Old World!" by ELIJAH MUHAMMAD. This item in substance stated that America's burden in trying to protect herself from the attacking nations of the world is tremendous; one that she will not be able to carry. It added that, therefore, America must succumb to the powerful forces that are coming against her. It added that the fall of a nation makes way for another and as the earth continues all nations and their civilizations are limited upon it except the original nation which takes on renewals and changes. It stated that the so-called Negro must be stripped completely of the white man's way of life, his name and Christianity. The item also stated that it is well known that Islam is the only religion that will survive the destruction of the present wicked civilization.

The item stated that this would not interfere with any effort by the government to sponsor better housing and living conditions.

broadcasts by Muhammad under city, station, time and the wave length of 18 different broadcasting stations throughout various areas of the United States.

On January 5, 1965, ELIJAH MUHAMMAD was contacted over radio station KABC, Los Angeles, California, on the Bob Grant Show "Night Line". During the interview with MUHAMMAD, MUHAMMAD stated that the NOI believed in one God and in the same way as the old orthodox Muslims. He stated that the white [REDACTED] are people that God has taught us are altogether different than the black man by nature and were given the wisdom to rule the black man for 6,000 years but that such rule was about up. He stated that the white people were made to rule the black man for that time but eventually the black man would again rule.

b2

During this program ELIJAH MUHAMMAD stated in substance that the black man could not have freedom as long as the white man is ruling, adding that what kind of freedom could the black man have if the white man is the President of the country? The Senate is white, the governors of all states are white and the courts are ruled by whites. MUHAMMAD stated that the NOI knows that the white man does not teach the truth and was given only 6,000 years to rule the world. He added that the same God didn't make

the white man that ride the black man. MUHAMMAD stated that when America is destroyed it will be destroyed by fire and that America will be the only place to be destroyed. He stated that the fire would reach to the height of 12 miles and that it would burn for 390 years and after the 390 years it would take 610 years to cool off and start growing vegetation here again and in all it will be 1,000 years before human life could live here where you and I now live.

MUHAMMAD stated that he could not urge his followers to vote for a change in the white man's way of life and the way of his government. He said that violence would not be necessary in order that the black man obtain his equal status in America because the black man would be ignorant to do such a thing. This was in response to questions regarding civil rights. MUHAMMAD stated that the white man by nature is not the black man and the black is by nature not the white man and you could make him believe it there. In speaking in response to a question regarding MALCOLM, MUHAMMAD stated that MALCOLM left the teachings of the NOI on his own and that in fact he has not been missed by MUHAMMAD's followers. MUHAMMAD said that he had more followers since MALCOLM left and more unity since that time.

Activity

During October, 1964, ELIJAH MUHAMMAD reportedly remarked the NOI should not become involved in civil rights fights. He stated that the NOI would not participate in any demonstrations as his purpose was not to fight and bring about the fall of the NOI just because the white man did not like them but that his desire was to build a new world for his people. He was reported to have stated that fighting to get into a restaurant or riding transportation with the white man is not for the NOI.

Three Year Economic Program

During October, 1964, ELIJAH MUHAMMAD commented in connection with the three year economic program being sponsored by the NOI that all details had not been worked out, and that many Negroes were not responding as anticipated as they feel the program is only for believers. MUHAMMAD added that he receives many inquiries each week concerning

This program which is for the entire NOI and also for all Black people and not just Moslems. He added that white people could not participate because they were not righteous.

Paternity Suite

These records were reviewed by [REDACTED]

On January 18, 1965, [redacted] again reviewed records of the Superior Court, Los Angeles County, Los Angeles, which records reflected the paternity suits filed by EVELYN WILLIAMS and LUCILLE ROSARY against ELIJAH MUHAMMAD scheduled to be heard on January 11, 1965 were not heard that date as none of the parties thereto showed up for the action.

Page D-1 of the July 10, 1964 issue of "The Times Examiner", a Los Angeles, California, newspaper, contained an item captioned "Elijah's Two Paternity Suits." The title of Elijah, He Claims." This item in substance stated that a Miss EVELYN WILLIAMS and Miss LUCILLE ROSARY had alleged that ELIJAH MUHAMMAD was the father of a four year old daughter of Miss WILLIAMS and the three daughters of Miss ROSARY. Both women have filed Superior Court suits in Los Angeles asking that MUHAMMAD be named the father of the children and be made as responsible support for their daughters. Miss WILLIAMS claimed that MUHAMMAD had told her that under the teachings of the Holy Quran "We were not committing adultery, that she was his wife."

Information Regarding MALCOLM K. LITTLE

"The New Crusader" in its issue of December 12, page 3, contained an article captioned "Nation of Islam" that article reflected as follows:

The following open telegram was dispatched December 7, 1964 by Captain Raymond Sharrieff of the NOI in North America to the former Malcolm K., defected from the Muslim movement:

Mr. Malcolm:

We hereby officially warn you that the NOI shall no longer tolerate to sanctilizing the name of our leader and teacher the honorable Elijah Muhammad

regardless of where such scandalizing has been.

*Captain Raymond Sharrieff*  
The Nation of Islam  
North America

On February 22, 1965, ELIJAH MUHAMMAD held a press conference in connection with the assassination of MALCOLM LITTLE on February 21, 1965. In response to questions asked at this conference, MUHAMMAD stated he was not afraid his life was in danger as he has done nothing to make him afraid. He said the Black Muslims are not responsible for MALCOLM's death as it is against Muslim teachings. He added that the death of MALCOLM would have no ramifications on the Muslim movement as there were not many people with MALCOLM. He said the main disagreement between MALCOLM and himself was over arms and that NOI members are forbidden to carry arms while MALCOLM favored the carrying of arms and was therefore a victim of what he preached. MUHAMMAD also stated he was deeply shocked over MALCOLM's violent death and said nothing separated MALCOLM from the NOI but the issue of arms. He stated that MALCOLM met such death because of his own teachings and added that he was not concerned about his own life as the NOI was not involved in MALCOLM's death at the hands of violent assassins.

[REDACTED] b2

On February 22 and 23, 1965, WESLEY SOUTH, moderator of the question - answer program "Hot Line" over Chicago radio station WYON, interviewed ELIJAH MUHAMMAD. This program which is on the air at 11:00 p.m. to midnight was monitored by a Special Agent of the FBI. In response to questions regarding the assassination of MALCOLM K. LITTLE and the NOI, MUHAMMAD stated as follows:

The murder of MALCOLM was a shock and surprise to us. We are investigating the charge all over the country to see if the NOI is responsible and to see if we can come up with the man's name in our records, but as of now we have no record. I have preached for 35 years we are against this type of thing. MALCOLM left and began teaching hate and arming his members.

We in the NOI are against violence as it would be a scandal to take up arms against this country. Allah teaches us not to carry guns and we do not carry any. We have no guns, bombs, or artillery pieces to field. The Koran teaches that if one opposes the Messenger and repeats he is forgiven, but if he does not repent he is subject to divine chastisement such as death or hell fire. MUHAMMAD stated he did not know the reason why MALCOLM was killed or who killed him. He stated he has heard assassins are coming for him, but that he was not frightened as he was on Allah's mission and was not running. He said that he had over 200,000 to 300,000 members all over the world. He added that some people in order to keep their racial pride teach hate. MUHAMMAD stated he does not teach violence except to fight back if attacked, adding that the NOI is never the aggressor. He stated that he does not teach hate, but only the truth and that the white man is a member of a wicked and evil race.

MUHAMMAD stated he would not back any man who used violence and in the event it subsequently might be discovered a member of the NOI killed MALCOLM he would not back any such man as the Koran only teaches us to kill on the order of Allah. He said this would be handled in the same way that God advised Moses to lead and help his people as set forth in the Bible.

The February 22, 1965 edition of "Chicago's American" a Chicago, Illinois daily newspaper, page 1, column 3, contains an item regarding a news conference held by ELIJAH MUHAMMAD in

connection with the death of MALCOLM X. This item  
in Urgentance stated that MUHAMMAD expressed shock, but  
no secret of MALCOLM's death. MUHAMMAD denied that any of  
his followers could have been involved in his assassination.  
He said that the annual national meeting of the Muslim  
League scheduled for the following weekend at the Chicago  
Coliseum would go on as planned. MUHAMMAD told news men  
he had no idea of why MALCOLM was shot, but described  
him as a "victim of his own violent philosophy."  
He stated that he had hoped that MALCOLM would have  
knocked and come back on his knees, but he did not,  
saying that MALCOLM was a man of violence.

NAME OF ISLAM, MOSQUE #7,  
NEW YORK CITY

On May 3, 1963, a source advised that the Nation of Islam (NOI) affiliate in New York City is known as Mosque #7, also known as Temple #7, and is located at 102 West 111th Street, New York City. Mosque #7 is a part of the Nation of Islam (NOI) headed by MUHAMMAD, with headquarters in Chicago, Illinois. Mosque #7 follows the policies and practices of NOI, headed by MUHAMMAD.

The original Mosque #7 originated in New York City in 1947 by MUHAMMAD.

However, in connection with the origin of Mosque #7, it is known that in 1953, a second source advised that the original affiliate of the NOI (known to source then as the Black Muslims) was located in New York City located at 125 West 125th Street and 127th Avenue, as far back as 1947.

FRUIT OF ISLAM

On May 8, 1964, a source advised that the Fruit of Islam (FOI) is a group within the Nation of Islam (NOI) composed of male members of the NOI. The purpose of the FOI is to protect officials and property of the NOI, assure compliance of members with NOI teachings, and to prepare for the "War of Armageddon." Members of the FOI are required to participate in military drill and are afforded the opportunity to engage in judo training. The FOI is governed by a military system wherein the members are controlled by general orders similar to those issued by regular military organizations.

APPENDIXMUSLIM MOSQUE, INCORPORATED (MMI)

The March 13, 1964, edition of "The New York Times," a daily newspaper published in New York, New York, contained an article on page 20 which indicated that MALCOLM X (LITTLE), former national official of the Nation of Islam (NOI) who broke with the NOI on March 8, 1964, publicly announced in New York City on March 12, 1964, that he had formed the Muslim Mosque, Incorporated (MMI). The MMI, according to the article, would be a broadly based politically oriented black nationalist movement for Negroes only, financed by voluntary contributions. In this public statement MALCOLM X urged Negroes to abandon the doctrine of non-violence when it is necessary to defend themselves in the civil rights struggle, and he also suggested that Negroes form rifle clubs to protect their lives and property in time of emergencies in areas where the government is unable or unwilling to protect them.

Incorporation papers of the MMI filed on March 16, 1964, with the Business Section, Clerk of Courts, New York County, New York, New York, reflect that the MMI was incorporated under the Religious Corporation Law of the State of New York to work for the imparting of the Islamic Faith and Islamic Religion in accordance with "accepted Islamic principles." The principal place of worship to be located in the Borough of Manhattan, New York, New York.

The May 23, 1964, edition of the "New York Amsterdam News," a weekly Negro newspaper published in New York City, contained an article by columnist JAMES BOOKER in which he indicated that he had heard that the visit by MALCOLM X with Muslim leaders during his African tour has changed him to become soft in his anti-white feelings and to become more religious.

On October 6, 1964, a confidential source advised that the MMI is apparently affiliated with the true orthodox Islamic Religion through its affiliation with the Islamic Foundation (of New York), 1 Riverside Drive, New York City. The only teachings of the MMI are on the Islamic Religion.

A second confidential source advised on October 20, 1964, that the headquarters of the MMI are located in Suite 128, Hotel Theresa, 2090 Seventh Avenue, New York, New York, where they were established on March 16, 1964. These headquarters are shared with the Organization of Afro-American Unity (OAAU) which is also headed by MALCOLM X.

APPENDIX1.  
**NATION OF ISLAM, Formerly Referred to as the Muslim Cult of Islam, Aka. Muhammad's Temples of Islam**

In January, 1957, a source advised ELIJAH MUHAMMAD has described his organization on a nationwide basis as the "Nation of Islam" and "Muhammad's Temples of Islam."

On May 8, 1964, a second source advised ELIJAH MUHAMMAD is the national leader of the Nation of Islam (NOI); Muhammad's Temple of Islam No. 2, 5335 South Greenwood Avenue, Chicago, Illinois, is the national headquarters of the NOI; and in mid-1960 MUHAMMAD and other NOI officials, when referring to MUHAMMAD's organization on a nationwide basis, commenced using either "Mosque" or "Temple" when mentioning one of "Muhammad's Temples of Islam."

The NOI is an all-Negro organization which was originally organized in 1930 in Detroit, Michigan. MUHAMMAD claims to have been selected by Allah, the Supreme Being, to lead the so-called Negro race out of slavery in the wilderness of North America by establishing an independent black nation in the United States. Members following MUHAMMAD's teachings and his interpretation of the "Koran" believe there is no such thing as a Negro; that the so-called Negroes are slaves of the white race, referred to as "white devils," in the United States; and that the white race, because of its exploitation of the so-called Negroes, must and will be destroyed in the approaching "War of Armageddon."

In the past, officials and members of the NOI, including MUHAMMAD, have refused to register under the provisions of the Selective Service Acts and have declared that members owe no allegiance to the United States.

APPENDIXORGANIZATION OF AFRO-AMERICAN UNITY (OAAU)

On June 28, 1964, MALCOLM X LITTLE, founder and leader of the Muslim Mosque, Incorporated (MMI), publicly announced the formation of a new, all Negro, militant civil rights action group to be known as the Organization of Afro-American Unity (OAAU), with himself as Chairman. This announcement was made at a public rally held by the MMI in the Audubon Ballroom, Broadway and 166th Street, New York City.

A printed and published statement of basic OAAU aims read by MALCOLM X at this meeting indicates that it shall include "all" people of African descent in the Western Hemisphere, as well as "our" brothers and sisters on the African continent. It is patterned after the "letter and spirit" of the Organization of African Unity established (by African heads of States) at Addis Ababa, Ethiopia, in May, 1963.

A recording of the remarks of MALCOLM X at this meeting indicates that the aim of the OAAU is to eliminate differences between Negroes so they can work together for "human rights," while the initial objective is to "internationalize" the American civil rights movement by taking it to the United Nations. LITTLE condemned the non-violent civil rights movement and claims that Negroes should be taught to protect themselves, when and if necessary. The OAAU will sponsor a program for Negroes of education, politics, culture, economics and social reform.

On August 19, 1964, a confidential source advised that the headquarters of the OAAU are located in MMI headquarters, Suite 128, Hotel Theresa, 2090 7th Avenue, New York City.

[REDACTED] ELIJAH MUHAMMAD, [REDACTED] Arizona, spoke about strange people and the unknown man who had visited ELIJAH. [REDACTED] commented the unknown man talked too much and [REDACTED] said he just did not seem to talk in Muslim terms. [REDACTED] spoke about the unknown man telling [REDACTED] [REDACTED] different things (referring to [REDACTED] son of ELIJAH MUHAMMAD visiting in [REDACTED] according to [REDACTED] the unknown man told [REDACTED] that when he (unknown man) was in Memphis and the FBI wanted to make a stool pigeon out of him to watch the Muslims, and he would not do it. [REDACTED] said that the unknown man spoke about getting into a lot of trouble in Memphis and that they were down on him - kill the white folks. The unknown man thought the white people even kept his mail from him. [REDACTED] also commented that the unknown man was trained by the FBI on how to work and they gave him a lot of "stuff". The FBI tried to make a spy of him, but after he (unknown man) joined the [REDACTED] he gave it up. This was all before he went to the temple and after he went to the temple he would not stool pigeon on the Muslims. [REDACTED] commented that the unknown man had a room at a hotel down there and they kept asking him to come over to the other place. The unknown man told [REDACTED] that he was staying over there. [REDACTED] added that the unknown man talked too much.

b7  
Information furnished by [REDACTED] has been reviewed several times by the Phoenix Office and no additional data concerning this matter has been developed. [REDACTED] Hello, how are you?

B. I'm pretty good, how are you.

[REDACTED] Oh, I'm all right. Listen I called to let you know that I'll be able to send somebody there to see you tomorrow evening at 6:30.

B. Oh, I'm sorry, but I won't be here. I have an emergency call to Chicago and I'll be leaving tomorrow morning around 8 o'clock. I was expecting someone, maybe to call pretty soon, but this is an emergency and I must answer it.

[REDACTED] Well, what shall I tell them in the meantime - do they know about when they will be expected like.

B. Well, they could take care of what they have in mind on the physical side and on the other side they could from here send there - to Chicago.

[REDACTED] I see - I think I see any way.

[REDACTED] The same could be sent to Chicago from here on there arrival.

[REDACTED] You mean in other words they should go there first and then from there to the other.

B. Yes, they could either call or report.

[REDACTED] From there?

B. Yes, from here. I think a report will be the best way to give it and directly to those second address.

[REDACTED] I see. Well, I was going to say - they really don't know how long they will be from one place to another - is that correct?

[REDACTED] That's correct.

[REDACTED] Well, then what if they didn't go to the first place at all but just went directly to the second place there - to save a lot of cutting back and forth.

On yes, that would be best if they have not - directly is right. Go right directly there and that would be the safest and most quickest way.

[REDACTED] ... far as the time is concerned, It's very important. So I'll tell them because they also can't take too much longer. I'll tell them then to go to the extreme West then - right? I mean the middle part.

1. Yes.

[REDACTED] Is that correct, I want to make sure and understand perfectly - that is a much further distance, right?

2. Yes, I'm referring to mail only.

[REDACTED] I was talking about other things than mail.

3. Well, I don't know.

[REDACTED] The reason I say that is because what they have they can't quite say anything right now, but they will have to go through with the complete in order not to have anything foul up on this side. They have to go through the complete (what would you say) deposit and everything. They were fairly successful, however, they won't be successful like this unless they are able to carry completely all the way through. Do you understand?

4. ... what you mean that you was not successful in getting what you bargained for.

[REDACTED] Yes. They were but it's more like the first way than it was the second way. Because this is perfect but they have to have all that is necessary so there won't be any follow up behind it.

5. You are talking for about how long?

[REDACTED] About how long? They need the whole thing for the security of what they were able to find. Do you understand! They would never be able to ship that much merchandise all at one time in order to make

b7C

\_\_\_\_\_ this completely and end it in a couple of days. Do you understand? In order to come and pick up that stuff because it's much too heavy to send from one place to another. That's why they say if it's all right they can go directly to the other place for that and then arrange for an immediate return.

2. Well, I didn't know about that - what you mean - are you trying to say those stamps was not enough?

\_\_\_\_\_ Right, because they got the first and not the second. Remember the first that they spoke about and they said not that's going to be too difficulty. Well, they were able to find better - the first idea was better than the second. Do you understand?

2. Yes, the second.

\_\_\_\_\_ So, therefore, it's going to take about four or five or six times that for completion.

2. Oh, six times that.

\_\_\_\_\_ Yes. It's not like the second idea. It was the first idea that they started out with.

2. But it was impossible to take something like the lease?

\_\_\_\_\_ The temporary.

2. Yes.

\_\_\_\_\_ Well, it's not impossible but I'm trying to say is that the other is more perfect and it has to be settled within a certain amount of time, or else it can easily go some other -

2. But there is no need of bargain on a take-over complete but temporary something like about a year.

\_\_\_\_\_ What I'm trying to say is that they are completely

b7c

satisfied and they don't think they would be any more successful.

By the year.

Forever.

Ch., no, no, no. These things is sometimes inconvenience like that, due to the whole thing - that is quite the thing, well I don't know.

That's why I said I wanted to let them know' exactly what was going on so they would know.

Well, I thought the other way that you made up - even if it lasts about just a short time - it will be better than going directly into everything at once.

Well, they felt they were much more successful and they were told they would probably have to go to pick up the rest of the (blank), so what I am saying is after one more week they might as well forget it because those people will simply not be able to (blank).

What I mean to say again is this. Do you have - can you do business with the same for a few days - that's the think - on the optional.

Do you mean to tell them to allow sometime or something like that.

Yes, on the option you will do these things.

Yes, I can do that. At least I think I can but I have to more definite.

You have to put up these things enough to put up confidence in (blank). Did you ever discuss something by short terms?

Yes, there are always individuals and other people who are interested in starting the same kind of project and those who are more qualified of course are the ones that I will get the job. I have to know something.

b7c

This is what I'm trying to get clear. Did you ask for the job by the month or by six months or a year.

[REDACTED] This job is not going to be on any other basis but permanent.

E. Now you give it to me right. No other way will that job be got other than permanent.

[REDACTED] That's right.

E. [REDACTED] and there is no such thing that you can find a temporary job.

[REDACTED] No that's right.

E. [REDACTED] I didn't think so, especially in that area.

[REDACTED] That's why I arranged to come you know.

E. [REDACTED] And what was the total salary.

[REDACTED] It was in the thirties.

E. [REDACTED] Oh no, you can't do that. It can't go that far, especially you have to do the job right away. No, that is more than you can do.

[REDACTED] What about can I accept in the twenties? In the lower twenties?

E. [REDACTED] Yes, but not over that because you won't be able to do these things.

[REDACTED] Okay. Now do you remember we were speaking about one aspect which was very important and the reason I was so sold on this particular one was because it had all of the surrounding necessary.

[REDACTED] Yes, it's like talking about reaching to the moon and we don't have an arm long enough. It has been possible but is not possible today that you could reach to the moon.

b7c

One other question, will they be able to go directly to the other place tomorrow instead of the first place they had in mind - that's to the Midwest instead of where they already made reservations?

2. You talking about - directly with the -

Yes, where the other people said they have to go.

2. I don't know, that depends on how - they could be.

Yes. I think they will be all right for two days, no more. That means tomorrow, next day and then they would leave.

2. Yes, but that is also these people will be so buried things as soon as they arrive. It's useless to say tomorrow but maybe the next day.

Okay. Shall we just say forget it then and I'll wonder about it until I'm able to figure out something by myself, because I have to explain this.

2. That's the trouble, I'm quite sure an explanation is necessary.

I know it is.

... Well maybe day after tomorrow it would be better, but not tomorrow.

Okay, I'll tell them they can go on day after tomorrow to their original home, right?

Yes.

Fine.

The Nation of Islam is characterized in later pages.

"Muhammad Speaks" newspaper, Volume 4, Number 31, dated June 25, 1965, on page 3, carried an advertisement reflecting long-playing phonograph records titled "Muhammad Speaks" and containing five volumes of "Addresses by God's Only Messenger to the 22 Million Negroes" were available through Muhammad's Mosque No. 2 Book Department, 5335 South Greenwood Avenue, Chicago, Illinois, at a cost of \$3.98 each. The ad reflected the records would concern themselves with Elijah Muhammad's speeches on "The Time, and What Must Be Done"; "What the Muslims Want and What the Muslims Believe"; "The Black Man's Necessary Qualification To Be Accepted"; "We Must Do For Self"; and "The Time of Judgment". The ad contained a clip-out coupon for ordering these records and encouraged the reader to buy the records so as to help build a "center of reform to qualify you for the new world and to give you the knowledge of self and kind".

The ad also mentioned a book by Elijah Muhammad which is scheduled to have its first printing in September, 1965, at a cost of \$5.

"Muhammad Speaks" is self described in its various issues as published on a weekly basis by Muhammad's Mosque No. 2 at 634 East 79th Street, Chicago, Illinois.

## APPENDIX

**NATION OF ISLAM**, Formerly Referred to as the Muslim Cult of Islam, Aka. Muhammad's Temples of Islam

In January, 1957, a source advised ELIJAH MUHAMMAD has described his organization on a nationwide basis as the "Nation of Islam" and "Muhammad's Temples of Islam."

On May 8, 1964, a second source advised ELIJAH MUHAMMAD is the national leader of the Nation of Islam (NOI); Muhammad's Temple of Islam No. 2, 5335 South Greenwood Avenue, Chicago, Illinois, is the national headquarters of the NOI; and in mid-1960 MUHAMMAD and other NOI officials, when referring to MUHAMMAD's organization on a nationwide basis, commenced using either "Mosque" or "Temple" when mentioning one of "Muhammad's Temples of Islam."

The NOI is an all-Negro organization which was originally organized in 1930 in Detroit, Michigan. MUHAMMAD claims to have been selected by Allah, the Supreme Being, to lead the so-called Negro race out of slavery in the wilderness of North America by establishing an independent black nation in the United States. Members following MUHAMMAD's teachings and his interpretation of the "Koran" believe there is no such thing as a Negro; that the so-called Negroes are slaves of the white race, referred to as "white devils," in the United States; and that the white race, because of its exploitation of the so-called Negroes, must and will be destroyed in the approaching "War of Armageddon."

In the past, officials and members of the NOI, including MUHAMMAD, have refused to register under the provisions of the Selective Service Acts and have declared that members owe no allegiance to the United States.
